# Great Games for Growing Minds

## Summer Camp 2010

**Description:** If your childhood was filled with hours of playing games, then you know how fun and intellectually stimulating they can be. Have your child join our group of growing minds and spend a great week in interactive play. Our activities will include board games, card games, physical group games, and mind-expanding brain games. Students will get an introduction to the card game Bridge, practice Chess, participate in board game competitions like Blocus and Rumbus, learn magic tricks, play challenging logic games and puzzles, play mathematical games, and more. Our wide selection of games allows each student to find a game that best suits their play style. This camp will allow your child to meet new friends in a relaxed, fun-filled, educational environment. Games are a great way to improve social skills and communication skills between students. Our brain games will also help students think clearer and faster, exercise information processing, increase attention, improve pattern recognition and memory, all while having fun.

Grades 1-7 Students will form small teams based on interest, age, and ability levels.

**Tuition:** \$195 per week. Non-refundable; date changes are possible based on availability.

**Registration:** Registration is on a first come, first served basis. Please register early.

**Dates:** Session 1: June 14-18, 8:30-12.30 p.m. Session 3: July 19-23, 8:30-12:30 p.m.  
Session 2: June 21-25, 8:30-12.30 p.m.

Combine the half-day Great Games for Growing Minds Camp with another camp for all-day camp. Please visit our website at <http://www.allaroundmath.com/schedule/> for complete camp listing. Tuition for all day weekly camps is \$375 per week.

Before/After Care available 7:00-8:30 a.m. / 5:00-6:00 p.m. Additional fee.

**Location:** Grand Canyon College Preparatory Charter School, 7541 S. Willow Dr., Tempe, AZ, 85283. Located off the 101 Freeway at McClintock and Elliot in Tempe.
