# Junior Math-Science Adventure

## Summer Camp 2010

“Students were learning important stuff in a fun way!”

Lisa, Parent

**Description:** The Junior Math-Science Adventure Summer Camp is for students who are entering kindergarten and who just completed kindergarten. The camp curriculum engages students in mathematical and scientific explorations, experiments, games, and logical applications. Additionally, students are exposed to math and science topics through activities and discoveries. Topics will include: math art, money, shapes, fossils, rockets, chemistry, and more. Our vision is to have all students experience the beauty of math and science through fun, engaging, and challenging activities.
