

# *Math-Science-Computer Adventure Camp*

## **General Description:**

The All Around Math Learning Center offers a summer math-science-computer enrichment camp in small group format for preschool, elementary, middle, and high school students. Students are placed in small groups according to age and math ability level. Students are engaged in mathematical and scientific explorations, experiments, computer programming, games, and applications. Additionally, students are exposed to advanced math and science topics through activities and discoveries. Our vision is to have all students experience the beauty of math, science and computers through fun, engaging, and challenging activities.

**Registration:** Registration starts January 10, 2007, on a first-come-first-serve basis. At time of registration, a non-refundable deposit of \$100.00 is required in order to reserve space in the desired class. The deposit will be applied toward camp tuition. The remaining balance is due 30 days prior to camp start. Space is limited; early registration is recommended.

**Dates:** This summer we are offering one-week morning sessions, one-week afternoon sessions, one-week all day sessions, and two-week morning sessions. All sessions are held Monday-Friday. Morning sessions are from 9a.m.-1p.m. Afternoon sessions are from 1 p.m.-5 p.m. and all-day sessions are from 9a.m.-5p.m.

### **One Week Sessions**

Session 1: AM or all day - June 18-22  
Session 2: PM or all day - June 25-29  
Session 3: AM or all day - July 9-13  
Session 4: PM or all day - July 16-20  
Session 5: PM only - July 23-27,

### **Two Week Morning Sessions**

Session 1: AM - June 18-29  
Session 2: AM - July 9-20

Note: Sessions 1-4 half day camps may be combined with the Robotics Camp to make it an all day camp. Session 5 half day camp may be combined with the July 23-27 morning Back-to-School Review Camp to make it an all day camp. Please call for details.

**Tuition:** \$255/one-week AM or PM session  
\$495/two-week AM session, \$495/one-week full-day session
